

**UNIVERSIDAD POLITÉCNICA DE CATALUÑA**  
Escuela Técnica Superior de Ingeniería Industrial de Barcelona  
Departamento de Ingeniería Mecánica

Tesis Doctoral

**APORTE AL DISEÑO DE ENGRANAJES NO CIRCULARES  
CILÍNDRICOS RECTOS**

Presentada por

**HÉCTOR FABIO QUINTERO RIAZA**

Directores

**Dr. Salvador Cardona Foix**  
**Dra. Lluïsa Jordi Nebot**

Barcelona, 2006
